

This mask combines a combination of papaya puree and additional fruit extracts from lemon, orange and apple to brighten dull complexions and exfoliate, leaving the skin with a healthy glow. Green tea, vitamin E and honey are moisturizing antioxidants that help keep the skin soft and hydrated. This results-oriented therapeutic mask is appropriate for all skin types and conditions.

**before**

Condition: fine lines and uneven texture

**after**

Solution: Received one Revitalize: Therapeutic Papaya Mask treatment and used BPO 5% Cleanser, Anti-Redness Serum, C-Strength 20% with 5% Vitamin E, Acne Gel, Clearskin and Perfecting Protection SPF 30 over a two-week period.

Revitalize:  
Therapeutic  
Papaya Mask

**Key ingredients:**

- Papaya Fruit** – contains the proteolytic fruit enzyme papain, which is widely used for its gentle exfoliating properties. Papaya fruit is also known to be an effective skin purifying ingredient.
- Lemon Fruit, Sugar Cane, Orange Fruit and Apple Fruit Extracts** – are the source of naturally occurring alpha hydroxy acids (AHA).
- Green Tea Extract** – is a polyphenolic antioxidant containing beneficial vitamins, minerals and oils.
- Honey** – is a natural humectant that helps moisturize skin.
- Orange and Geranium Oils** – are used to stimulate circulation and clear blemishes.
